MEET YOUR HOSTS,
DEBRA AND WILL COCKRELL

Cockrell Ranches HIGH DESERT LODGING

Dedicated to the cattle and ranching industry for
a span of six generations, the Cockrells were early
settlers in the Surprise Valley area. Their love of
ranching and for the land has stayed with the family
throughout the generations. Active in the local
community, Will & Debra and their four children
are members of numerous national and local
organizations that support the agriculture industry.
